

United Way of Northwest Vermont

Our Key Strategies

Fostering Financial Stability

Meeting Basic Needs

Supporting Families

Promoting Mental Health

Reducing Substance Misuse

100% LOCAL means that our community defines our priorities.

We make real change in the lives of our neighbors by focusing on the unmet needs most important to—and told to us by—our community.

We bring the community together to create lasting solutions for a brighter tomorrow in Northwest Vermont.

“I want to be part of the solution and **United Way enables me to do that.** United Way looks at the big picture and brings local people together to work on local solutions to our community's greatest challenges. I give to United Way because it's my personal responsibility. Each of us has a responsibility to give back to our community where we live, work, and play.”

-Michell Langlais Westport Hospitality,
UWNWVT Board Chair
